Presidents report

Hello Tornadoes,

Welcome to the 2018 season. I hope you all had a good refresh and are ready to get back into training in the next couple of weeks. We are excited with the start of the new season and are looking forward to seeing all of you in the next couple of weeks.

After a few weeks break the committee and volunteers are back working to get everything ready in preparation for the start of the season.. We also have a couple of positions where we are looking for coaches and league safe officials. If you have thought of getting involved as a volunteer, please let us know and we can see what might interest you.
