Shorts Socks & Apparel

As you are all aware we are getting new socks, shorts, jerseys and training shirts this season we hoped that they would be here by now but have now been informed that the factory who was making our apparel is in Fiji so there will be a delay as the factory now has no power and they are not sure when the power will go back on our socks are already in transit so we should have them this week thank you all for your patience.

Managers & League Safe

It takes many people to get a team on the paddock we need coaches, managers, league safe (water runner) and First Aid Officers if you think this is something you would be interested in doing please come and see any one of the committee and we will help you get started.

Committee

We still have many positions to fill on our committee for this season so keep your eyes on the newsletter for our committee meeting dates all members are welcome to come so we would love to see you there.
