## Game Day

Well the time is here our first lot of games for the season are coming up this weekend the 4<sup>th</sup> & 5<sup>th</sup> of March we will have the details of where and when your games will be held are here in the newsletter and on our website.

We are very very lucky to have the U6s through to U12s all be playing at our home ground this Saturday, which is so exciting to be playing our first round on home turf, but we do need all hands on deck to run a successful game day as a small club we do rely on all of our members to pitch in where they can we will need people on the gate in the canteen, BBQ duty officials, any help is greatly appreciated even if it's only half an hour every little bit helps.

Thanks Again

## Shorts Socks & Apparel

As you are all aware we are getting new socks, shorts, jerseys and training shirts this season we hoped that they would be here by now but have now been informed that the factory who was making our apparel is in Fiji who just got hit by a cyclone, so there will be a delay as the factory now has no power and they are not sure when the power will go back on. Our socks have arrived so come and see the girls in the club house to get your pair, and as soon as we get our new gear we will let you know.

Thank you all so much for your patience.

## Welcome BBQ

We have a long standing tradition at the Tornadoes of having a welcome BBQ and cutting of the cake before the first whistle of the season kicks off, sausages and cake is free for all members so please hang around and help us celebrate the start of our 2016 season please note training will finish 10min early for the 6s to 12s and start 10min late for the 13s to 17s
