RUGBY LEAGUE

The Tornado Times

Presidents Report

Hi All,

Friday night was a great night with 2 of our three teams walking away with the win. Then on Saturday seen most of us at Rosewood which from all reports was a cracking day had by all. Big mention too the 11s on their first win for the season, and from what I hear it won't be your last. And the u12s traveled to Lowood to play which from what I hear we played very well with the numbers we had. I would like to thank the parents from the under 11s that travelled from Rosewood to Lowood to help them get on the field due to numbers. See you all at training.

Go the Tornadoes

Steven Clark

Weekend Round at a Glance

Seniors Sunday 14/05/17

Karalee v Redbank Plains

**10.30am @ Redbank
Plains**

Friday night 12th May

CELEBRATE
MOTHER'S DAY
SUNDAY 14 MAY
AT THE KARALEE

Treat your mum to a special lunch or dinner at The Karalee Tavern!

Book now for lunch or dinner & live music from 3pm!

Head down to Karalee Tavern for a great Mother's Day Lunch/Dinner and there will be meat trays from 3.00pm

Cam, located in Karalee, will sort out any of your plumbing needs, so if it looks like plumbing give Cam a call on 0418 666 612

From the Canteen Home Games

THANK YOU

A huge thank you to all who jumped in to make our Friday home games success in the Canteen.

Thank you to Bella, Leah, Gabi, Gemma, Nyree, Pete, Rodney, Leanne, Dan in the Canteen/BBQ. Other Volunteers were Awesome Ken (U13's), special mention to the kids in the middle and doing lines – Patrick, Zac, Matt, Caiden and Paige.

The Canteen sold 90 burgers, 14 Chicken burgers and not many hot dogs or sausage rolls or pies. We did sell over 70 hot drinks to go over 17 x 2 litre milks. Thanks again for all you help can't do it without you guys.

Charissa Cox & Steph on BBQ Canteen Convener.

Thank you to all existing players who have preordered their jersey number. All 2015 jerseys are now up for sale except for the preorders jersey numbers. See Betty to purchase one at training.

Coaches Reports

Under 6s

Great game between Springfield ...the under 6's are improving really well from week to week with their tackles and their runs the under 6's were on point this week

Lewis/Abe

Under 7s

Great game, great team effort. What more can I say? This weekend you guys played like you've been playing together for years. I'll start with my dummy half. Xavier- owned it. Great passes for your team mates, great calling your next runner, followed by great TRY from our secret move. Jack great runs, but most importantly you brought to the game what we did at training. Your tackles were spot on. Good stuff. Cooper, what can I say? great cover tackles and good runs. Also Coop, playing well in your team. Every person gets to run when needed in our field position. Alex, first TRY for the season. WOOHOO. And from the secret move too. Too easy. Tasman, our champion part time team mate. First game of the season, awesome runs, awesome tries and great cover tackles. Now Dion, man of the match! The Broncos have just rung me and they need a new front rower. How many metres

did you make? Far out. Keep playing as a team and keep having fun.

Fabian

Under 8s

This Week we played Springfield Purple at Rosewood we started with Seven and Springfield offered us a couple of players which was good to see. This week Billy took control of the team and did a great job, even scoring a try. Annabelle kept putting her hand up time and time again for runs which is great to see. Jared tackled he's heart out again this week and made some good breaks. Marcus you've come leaps and bounds since the start of the year and seem to be loving footy. Meaghan, you had your first run for a while and then kept wanting more. Jack did a great job while in first receiver and got the ball to his runners well. And then there was William who put his body on the line in the first quarter to take down one of their big kids and even copped a head knock to go with it. But that wouldn't stop you from going back on and having 2 or 3 more inspirational runs. Man of the match this week went to William awesome improvement from that first training session.

Don't forget to look after each other.

Ian and Casey

Under 9s

Wow what a game on Saturday afternoon. We played against Springfield Purple at Rosewood, and the weather was just perfect.

Our two-day training with the boys definitely showed in this game. They were playing much better and starting to put their passing and

Proud Partners

tackling together against a big Springfield team. The new dummy half and first receiver positions worked well no matter who played in those roles per quarter. Our new players and existing players gelled together, which showed in the amount of try's we scored. Special mention to KR and Axle for their performances on the field but an outstanding game by Benjamin Brownlow, the man of the match performance. No one had a poor game, it was great to watch, well done by all. Next game is at Blue Gum Reserve Karalee, Saturday 13th May, at 9.50am.

Under 11s

A great win by the under 10/11's on Saturday. The boys showed a real spirit with scoring in the last minute to take the win 36-32. The game seesawed back and forth with all players having an impact at different stages. The boys played above anything they had previously shown prior to today. Try scorers were Ricthie 2, Aidan 2, Cole 1, Flynn 1, Kye 1.

We ended up having to name 3 men of the match awards with Sebastian, Aidan and Ricthie, they all excelled in the game. We need to add that Cole's barnstorming runs also kept us on the front foot. The best part was watching the boys straight after the game running together to the supporters and doing their cheer then coming back and standing around to tell their stories of how they won their first game. Till next game, have fun and train hard.

Under 12s

The u12s played with guts. They played Fassifern, who were very

strong up the middle. But our kids kept trying all day. It was great to have so many u11s back up after their massive game at Rosewood. I also would like to mention that Paige played with a busted finger and showed her true character by not letting it get in the way of her game. Caiden also had a gem of a game by relentless defense and asking questions in attack at every play which in turn earned himself man match. Danni played his first game on Saturday and had a really good game considering not being out on the paddock before and will definitely get better each week.

Chris

Under 13s

Wow 🤩 wow 🤩 wow 🤩
Well last nights game was very very impressive and I am so happy with how well we jelled together. To already be playing brilliant footy it has shown me that we are ready to do more, I was impressed at our attack with a few more little things to work on we should be on target. Our defense was a little better but still needs alot of work. With 3 min to go the Laidley side had most of the possession but your communication and line speed kept them out until they made a miracle pass to see them across the line, I believe that we held our heads high didn't get involved in Laidley mess out on the field and most importantly you came away with the win. And securing yourselves at the top of the table for another week. Special mention to our forwards I thought you boys lead by example and gave our backs great space to work in leading to some wonderful tries, special mention for zac, matt r, matt t and patrick for

completing your jobs last night and putting a real hard effort, man of the match went too zac for doing everything I have asked him to do this week and carrying it out on the field. Well done to you all lads very impressed.

Again thankyou to our wonderful staff Amy Huckel standing in too help out and creating another side to our awesome team Thanks heaps honey. Also last night t man touch judged for the 17's and 14's after or game his first ever and son you done a great job very proud if you well done mate. Cheers

Under 17s

Friday night saw us playing at Home against Springfield white.

The Springfield team looked like a well drilled machine during their warm up before the game, but that didn't change our boys focus and attitude to the game ahead. They knew what their job was and how to execute it. Our boys started out a little disorganized at the very first hit up, but after bagging an early try, within the first minutes of the game, they were pumped and ready for a great game.

Finally, all our hard work at training with practicing our drills, working on our communication and slowing our tackling down, our plays finally pays off.

The try scorers on the night were Tom Karrasch and Blake Dargusch, and with only 5 minutes left on the clock before full time and us being at a draw with Springfield, Aaron McKewen successfully converted our last kick which bought us the 2 points we desperately needed to win. Congratulations to all the boys and our coaching team on our first win for the season so far, can't wait to see what this Friday's game will bring.

It was extremely difficult to choose the 3.2.1. points this week with so many well deserving Stagnadoes and after such a fantastic and rewarding game.

3 Points: Tom Karrasch

2 Points: Blake Dargusch

1 point: Nathan Guy

Very proud of our 17's

Go hard or go home

Coach Rodney
