A Little sneak peak.....

Keep an eye out next week.

Can anyone guess?

From the Canteen Home Games

THANK YOU

A massive thank you to all who volunteered over the weekend to help make our Friday and Saturday home games a success. We had a huge 2 days running a total of 26 games.

It was fantastic to see so many new faces volunteer across the board, as the saying goes "many hand make for light work."

Sorry I can't name you all individually there were so many of you but honestly, I'm sure I can speak for all the committee when I say we are extremely grateful for the help and look forward to seeing you all again. Hopefully we weren't too scary.

Over the two days the canteen sold 22 doz steak burgers, 4 doz Chicken burgers, 5 and a half doz pies and 5 and a half doz sausage rolls, A dozen spinach and cheese rolls, 6 doz hotdogs, over 100 sausages on bread and 20ltrs of milk was used for hot beverages, the drink fridge was restocked numerous time over the weekend.

Once again thank you for all your help.

Charissa Cox & Stephanie Rankin

Awesome effort this weekend team. We came up against a team with some big boys and this week everyone had to stand up. From Dions length of the field try, coopers and Alex's tackling and Xavier great team effort along with our u/6 player playing up, Ryan, who did extremely well indeed. Our man of the match performance was from our mighty player Jack. He pulled off one of the tackles of the season with some great runs to go with it. I'm very happy with how we are playing as a team and most importantly we are having fun. Keep it up guys. Fabian

Under 8 super stars', what can I say!! They all played exceptionally well and showed they have really been taking on board what they learn at training, this week's man of the match was Marcus, he came off the first with a head injury, but after medical assessment he came back and played brilliantly he has also improved out of sight, congratulations to all my super star's you played like a well-oiled machine

Well Saturdays, game was a shot back to earth for the boys after their win the week before. They turned up ready to play but unfortunately, they were out classed by Brothers White on the day. What we did see was some real promise and grit from them all with all players taking hit ups and getting the ball moving forward. We had 2 try scorers this week with both Flynn and Ritchie crossing the line. Great improvement was shown by Alexander and for this he received the Man of the Match award. See you all at training and looking forward to you seeing you all on Saturday.

Wow boys what an awesome game. Where to start. Matt Risbey you ran with intent very impressed with your game mate. The rest of the forwards Zac, Matt, Keegan Jones, Blade and T Man kept the middle tight. Sam P and Casey carving up the middle taking advantage of every opportunity. Jake the ever-faithful dummy half using the ball to his advantage knowing when to pass and when to scoot. Patrick, Isaac, Jakob and Caiden so happy with the game you guys played. Coop back in fullback ran and tackled well. A huge thanks to Amy Huckel for being league safe tonight and Tim for running the line it was very much appreciated.

A huge happy 13th birthday to T Man for tonight and happy birthday to Caiden for Tomorrow. A big thanks to Charissa Cox for the cupcakes they went down a treat. Remember boys Mother's Day on Sunday so be extra good for mum.

See you next week for training

Last Friday night was our second back to back home game where we went up against North's Gold, a big pack and was sitting 2nd on the ladder. The boys didn't quite fire up in the first half like last week's game, and with North's having a few really big lads on the paddock, unsettled our 17's and with our lack of communication lead to a very challenging game. I know every week I bang on about communication but communicate is a two-way street. It is very important to communicate with each other on the field, look ahead of gaps, yelling out for the ball for the next hit up or even which direction to take the ball up. But it is equally important to be listening and acting on this communication. Coaches can't tell you what to do on the field that is why there is play makers on the field and you have to listen to the directions given. Listen to the calls, communicate with your team mates, you lads can do this. We wear our jerseys as a team, we train as a team, we take the field as a team and it is vital that we listen and support each other as a team. We just need to play

simple footy, never worry about size, without legs they can't run, wrap up the ball, if they can't pass the ball it goes nowhere, if they can't score they can't win.

We went down 38 to 6; we will write this one off as a learning curve.
