

## KARALEE TORNADOES RUGBY LEAGUE

### The Tornado Times

Wednesday 22<sup>th</sup> February

#### Presidents Report

Hi All,

It was great to see our players try out for the 13's and 14's Ipswich Diggers and 11's and 12's Maitland tour on Sunday, although none of our U11 players were selected even though they play their heart out we have two of our u12's players, Paige Cox and Caiden Jefferies selected for the Maitland Tour.

Congratulations I know that you will do the Tornadoes proud.

Numbers are slowly building up which is really great to see, if any player's know of anyone wanting to play our greatest game of all, let your mates know and bring them down and join our Club. If any parents are wanting to help out with a team like being a Manager or League safe or First Aid, come and see Rinni, Stephanie, Anthea or Myself and we can tell you all about the job at hand and what training you may need.

Congratulations to Paige Cox and Caiden Jefferies for making it into the u12's Ipswich Diggers representative team. I so proud of your achievement. For the rest of our 11's and 12's, I know you gave it your all, and with so many players from so many clubs all wanting to be chosen, and only limited positions available, I'm glad that you were a part of the experience and will bring this experience and passion to your own games.

### Club Song

(Sung to the tune of Waltzing Matilda)  
chorus repeated twice

Once a mighty club was formed out at Karalee,  
Humble beginnings and renegade dreams,  
And we set the foundation of a fair go for everyone,  
Come cheer the mighty Tornadoes with me.

**Go the Tornadoes, Go the Tornadoes,**

**Come cheer the mighty Tornadoes with me. And we'll crash and we'll bash until the final whistle blows.**

**Come cheer the mighty Tornadoes with me.**

We've seen the tough days but there now part of history,

Gravel in our guts and fire in our eyes,  
We'll hit it up, tackle hard, and drive you back from where you came.

Come cheer the mighty Tornadoes with me.

**Go the Tornadoes, Go the Tornadoes,**

**Come cheer the mighty Tornadoes with me. And we'll crash and we'll bash until the final whistle blows.**

**Come cheer the mighty Tornadoes with me**

Red yellow blue are the colours of the family,

Thunder and lightning electrify our souls

You'll hear the deafing roar of our swirlin', twistin' battle call

Come cheer the mighty Tornadoes with me

**Go the Tornadoes, Go the Tornadoes,**

**Come cheer the mighty Tornadoes with me. And we'll crash and we'll bash until the final whistle blows.**

**Come cheer the mighty Tornadoes with me**

When the games are played and we've made our bid for victory

Trophies in the bag cos we rolled up our sleeves

Join us to celebrate the fun has only just begun

Come join the mighty Tornadoes with me.

**Go the Tornadoes, Go the Tornadoes,**

**Come cheer the mighty Tornadoes with me. And we'll crash and we'll bash until the final whistle blows.**

**Come cheer the mighty Tornadoes with me.**
